

Small Business Source

Exclusive full text for many of the top consumer small business reference books and magazines

Many of the full-text reference books are provided through Nolo, the nation's oldest and most-respected provider of legal information for consumers and small businesses.

Entrepreneurs and small business owners will find helpful tools and detailed "how-to" instructions to independently address a wide range of small business topics, including:

- Starting and growing a business
- Writing a business plan
- Conducting business on the internet
- Managing employees
- Going green
- Understanding legal information
- Marketing a business
- Selling a business

Available through Explora, Small Business Source features easy-to-browse topic categories and a wealth of content, including:

- More than 400 full-text periodicals
- More than 440 full-text reference books
- More than 630 business videos
- Start-up guides and business plans
- Industry information by small business type
- State-specific resources supported with demographic data
