

Business Source Ultimate

8 Reasons to Upgrade

Access Leading Business Magazines

Full text is provided for *Harvard Business Review*, *Fortune*, *MIS Quarterly* and journals from the *Financial Times* FT50 list.

Top Non-Journal Content

Students get access to case studies, SWOT analyses, country economic reports, market reports and more.

Curated by Subject Matter Experts

Our experts curate peer-reviewed content and weed out predatory journals that can corrupt research.

High-Quality, High-Usage Journals

Journals are selected based on ranking and high usage in leading indexes like Scopus and Web of Science.

Vetted Open-Access Journals

Carefully selected OA journals expose researchers to the full breadth of business content available.

Content from All Over the World

International information on business trends, insights and news gives researchers a well-rounded perspective.

Three Video Collections

Videos, including the Academy of Management collection, give context to article content.

Exceptional Journal Value

The active full-text, non-open access journal retail value for Business Source Ultimate is more than \$1,166,900.00 (USD).

What Librarians Say about Business Source Ultimate

“As a liaison librarian, I find that Business Source Ultimate is a crucial resource for both our researchers and our library, providing an extensive collection of full-text journals, industry reports, and company profiles across diverse business disciplines. Its comprehensive coverage, user-friendly interface, and emphasis on academic rigor make it an indispensable tool for enhancing research outcomes and supporting the informational needs of our academic community.”

- **Liaison Librarian, University in North Carolina**

“Business Source Ultimate helps students find academic business journal articles more quickly than other products and provides our best access to *Harvard Business Review*. EBSCO's search algorithm finds gems our discovery system missed, for students and for me.”

- **Business Librarian, University in California**

“For our researchers and students, Business Source Ultimate provides a wealth of information on topics such as marketing, management, finance, accounting, and economics. Access to full-text journals allows scholars to access the latest research findings and stay abreast of developments in their respective fields. Additionally, the availability of industry reports, country profiles, and country reports equip researchers with insights into current trends, challenges, and opportunities, fostering a deeper understanding of specific sectors.”
