

WOMEN'S HISTORY IN THE UNITED STATES

THE AMERICAN MOSAIC

Women's History in the United States provides a thorough examination of women's contributions, perspectives, and challenges from precontact times to the present. The inclusion of lesson plans and other educator resources makes this database an invaluable asset for history and social studies classrooms.

CONTENT HIGHLIGHTS

- Comprehensive coverage of key figures, social and political movements, pivotal events, organizations, and other crucial topics that shape the diverse narratives of women in America
- More than 1,500 primary sources including letters, photographs, documents, newspaper clippings, archival video footage, and influential quotes and speeches
- Over 700 biographies of women from a wide range of backgrounds and spanning from indigenous "pre-contact" times to present day
- Student inquiry activities centering enduring historical questions, each with a related Bell Ringer, full Educator Guide, and correlations to state social studies standards

FEATURES AND BENEFITS

- Designed for accessibility and differentiation with translation in 25 languages, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Academic skill-building modules support students' core academic development in reading, writing, researching, and working with primary sources
- CLIOview statistical tool allows for the tracking and comparison of data across decades on population, income, health indicators, marital status, and more
