

E-Book Collections for Academic Libraries

To help your library save time and support the digital needs of students and faculty, EBSCO offers curated collections of e-books built by EBSCO collection development experts.

With hundreds of options available, it can be time consuming to review them all, so we've compiled a list of our most popular selections for academic libraries.

Subscription Collections:

When budgets are lean and your library needs a large number of high-quality e-books on specific subjects, EBSCO eBook subscriptions are a great solution. These highly curated collections vary in quantity based on topic and offer unlimited user access.

Academic Collection

This robust collection contains more than 230,000 multidisciplinary e-books representing a broad range of academic subject matter that students depend on for their research.

Arabic Collection: Al-Kotob

Covering a broad range of subjects from noteworthy publishers as well as award-winning Arabic authors, this collection includes more than 7,700 multidisciplinary e-books.

Business Collection

Assist students and scholars with various business research, special projects and entrepreneurial needs with this essential collection of more than 26,000 e-books.

Caribbean Collection

Give researchers access to more than 2,000 e-books by reputable publishers that provide authoritative content pertinent to Caribbean and Latin American studies.

Community College Collection

Focused on the information needs of community colleges, this multidisciplinary collection contains more than 65,000 e-books from notable publishers, including Choice OAT titles.

Education Collection

This collection features more than 4,900 e-books covering a broad range of education topics from curriculum building to student behavior and dynamics.

Subscription Collections:

History Collection

Support the research needs of students and faculty in the study of history with this e-book collection containing more than 21,000 high-quality titles.

Religion Collection

This dynamic compilation features more than 9,800 e-books curated by EBSCO librarians to support the research needs of students and faculty in the study of religion.

Sage Subscription Collections

In collaboration with Sage Publishing, libraries can subscribe to four unique collections of e-books through EBSCO that offer options for students looking for textbook alternatives, quick reads covering essential topics and unrestricted access to essential nursing textbooks.

University Press Collection

This collection contains more than 39,000 titles from more than 90 of the best university presses worldwide.

Diversity & Ethnic Studies Collection

This groundbreaking collection includes more than 5,500 high-quality e-books assessed by EBSCO Collection Development Librarians on the topic of diversity, equity, and inclusion.

Medical Collection

Offer clinicians and students unlimited, anytime access to essential medical e-books. This subscription collection features more than 4,200 hand-selected e-books designed for use in clinical settings, biomedical libraries and academic-medical institutions.

Nursing Collection

Simplify the research process for students with this curated collection of more than 800 e-books designed for use in hospitals, medical institutions and academic institutions.

Spanish and Portuguese Collection

This timely collection offers thousands of high-quality Spanish and Portuguese e-books assessed by EBSCO Librarians in key areas of study.

Featured Collections:

When the demand for access to a large quantity of e-books across a wide-range of topics is high, a perpetual collection is a smart choice. These sizeable e-book collections are suitable for institutions looking to select from and own hundreds of e-book options in a variety of categories.

Academic Award Winners Collection

High-level academic award winning e-books in a wide variety of subjects and disciplines.

Choice Outstanding Academic Titles (OAT) Collection

E-books designated as outstanding for academic studies by Choice Magazine.
