

Science Reference Source

Fire up your neurons with reliable information on thousands of fascinating research topics.

Topics include...

Agricultural Science

Ecology

Health

Astronomy and Cosmology

Energy

Mathematics

Biology

Forensic Science

Oceanography

Chemistry

Genetics

Physics

Climate and Weather

Geography

Scientists

Computer Programming

Geology

Technology

With Science Reference Source, you can...

- Search for books, magazine articles, essays, biographies and more
- Browse topics by category to get research ideas
- Limit search results to articles that match your reading level
- Hear articles read aloud with EBSCO's Text-to-Speech feature
- View science videos and animations
- Find thousands of science images, including photos, charts and graphs
- Save articles to Google Drive, Microsoft OneDrive, or your own personal folder in Explora
- Enjoy quick access to science experiments, a citation tool and helpful research guides
