

MicroCourses™

by EBSCOlearning

Unlock your full job
and career potential

No matter where you are in your college education, it's never too early to **develop the business, management and leadership skills** you'll need to succeed after you graduate.

Available through our library, **AMA MicroCourses™ by EBSCOlearning** offers dozens of short (20-30 minute), self-paced video courses on a variety of topics that can help you enhance your employability and thrive in the business community.

Topics include:

- Building and Maintaining Trust
- Enhancing Communication
- Creative Thinking
- Effective Business Writing
- Giving and Receiving Feedback
- Managing Change
- Resolving Conflict
- Strategic Thinking
- Teamwork

**Earn certificates for each
video course you complete!**
